“ My deepest condolences to the Family. From my heart, Joe will be missed since I had the pleasure of watching him grow up with my children and how many good friends they all were. He would always knock on the door if they weren't home and talk with me for quite some time. What a sweet young boy and man he had become. Love MaryAnn S.

“ There are so many growing up as neighbors. One memory Joe and I always talked about and laughed when we would see one another even as we got older. He would yell up at my window practically every day he got home to see if I was in my room always during the day as kids. I would yell hey Fitzie his reply always, hey Karen. It was just so sweet. Like a brother checking that I got home ok. He will be missed. My heart and prayers to all of the Family. With Love, Karen L.
