“ Joanne, please accept my heartfelt sympathy for your loss. A Dad is one time person in our lives. He touches every aspect, every memory of our lives. You loved your Dad so very much and it showed. He struggled for so long, and he's now at rest. It's not easy, but I hope that all your memories, all the fun you had together, everything that made him your Dad helps you through this difficult time. I'll keep you in my prayers and thoughts, not just for today or tomorrow, but for every time I think of you. God Bless. OX
