“ My uncle Joe was only 5 years old when I was born. I used to write to him when he was in Korea. He took a friend of mine to my high school prom. We have always been friends but more so in the past few years after my mother, Ruth, Joe's oldest sister, passed away. I have lots of fond family memories and know there is a great welcoming committe and old-fashioned family reunion going on right now up in heaven. God rest his soul! Niece, Barbara
