“ *Marie and the LLoyd Family, My very deepest sympathy at Joe's passing. What a wonderful man he was! You were all such good neighbors for so many years and I really miss living next door to you. I'll always be grateful for all of your kindness and help as my Dad got older. You truly had a gentle and generous spirit Joe. Rest in peace.*

“ *My heart goes out to you all at this time of lost. He is in a much better place were he is not suffering and he can get back to do the things he loved and still watch over his family that he loved so dearly. The sadness will soften over time but never go away as the happy memories will take hold in your hearts. He was a great person, parent, father and grandfather... This earth has lost another great person that heaven now has gained. God bless all of you..*

“ Aunt Ree and Joe, I am so very sorry to hear about Uncle Joe. What a great guy. I will miss talking to him at picnics. I can still picture him sitting at the picnic table with all of us where camping. He would always bring back fish for all of us to eat. I remember the fish being cooked in the camp fire wrapped in foil. I use to think that was so strange. Many days, as I sit and sip my morning coffee, I think of him with Susan sitting right next to him just wanting to smell his coffee. Sitting here I can still imagine how he would smile and say, "hey, Andy" every time I'd see him. Please know that we will all be there for you if ever you need us. Love ya, Andy
