“ We all looked forward to seeing Joe every year at Del Val. Boy did we laugh. Thank you for never sugar coating ANYTHING! It's what made you, you. I think I even blushed at some of your jokes. Even though we only saw each other one weekend a year, I will miss you terribly. From your stories to your jokes, never a dull moment. I loved when our two groups would get together late night around the fire and talk and laugh. I hope your golf cart up there has full batteries and never a flat!!!!

“ Joe is remembered as a kind and loving soul who would make us laugh in an instant. I will always remember the good times of parties, camping, bluegrass weekends, Nascar races and how proud he was to show us his Ryan Newman at his home. A yearly highlight was the delivery of Joe's homemade pizzells at Christmas time! Joe will always hold a special place in our hearts. Rest in peace our dear friend.

“Terita and I are simply crushed by your loss Joe. You left us way way too soon. Of all of the faces at DelVal, you were the one we always looked for as soon as we arrived.

You're one of the kindest people we know. You lived life full speed ahead. Whether it was bluegrass music or the Steelers, you were all in with life!

We will miss sharing our love of bluegrass music with you and I will cherish the memory of the Jets game we attended together....you know, that one time the Steelers lost!

Rest easy Joe. Until we meet again....

“ Any time I got to see Joe he always made a point of sitting and talking to me. Every conversation made me laugh. Joe had a great sense of humor that meshed very well with his kind heart. He truly cared for all of his family and friends. He fit right into the family circle, he will be missed by many.
