“ *When Joey started racing at Bridgeport, he became our son Steve's favorite driver. At two years old, Steve thought Joey was another Dale Earnhardt, and the 5JP was equal to that Wrangler car. Thanks, Joey, for being so kind to Steve. Cindy, we love you, you're in our thoughts, and we'll be in touch.*

“ *Joe was one of a kind and will be greatly missed. I had the good fortune to work with him for many years at the AARN Motorsports Show in Philadelphia as a public realtions represenative for many NASCAR drivers and sponsors. He always made our visits there special and went out of his way to make them memorable. As much as we traveled during the racing season taking the extra weekend to be away from home and at the show each winter became a must do on our schedule. Joe made it such a fun experience to be at the show and especially to be with him that we always tried to be there the whole three days. He always had a big smile and his joyful can do attitude made him a pleasure to be with. When you spent time with Joe you knew you were going to be doing a lot of laughing. My deepest sympathies to his family at this time.*

“ *We will miss Joe very much. His jokes and stories were always funny. We only saw him at Syracuse in March & October. Every time Alex went by the Area tent on the golf cart at Super Dirt Week Joe always had a smile on his face and telling him he was number 1. Our thoughts are with you at this time and always.*

“ My condolences go out to Cindy, Richie Sr., Richie Jr., and the entire Pratt family. My thoughts and prayers are with you during this very difficult time. Joey was one of the first people to encourage me when I first started racing. At that time, there were not many female sportsman drivers and he would actually call me every couple of weeks just to see how I was makin' out. I remember when I flipped in 2001, he was one of the first people calling me on Sunday to make sure I was ok. I remember him saying, "I know I told you I wanted to see your name and photo in the AARN, but that was not what I had in mind." He always knew how to pick me up when I would get discouraged.

All I can say is I will miss my conversations with Joey and all of his encouraging words to a young female driver that he believed had some potential. Thanks for always being in my corner, Joey! I will keep those encouraging words with me always! Rest in peace now, my friend! I will miss you terribly! Kate Brown LadyRacer Motorsports

“ My life would not be as fulfilling without my memories of Joe "The Juice" Pratt. I've known Joe for over 30 years. One of my fondest memories of "The Juice" was working on his brother Richie's #72 car in 1976. "Juice" was always fun and definetley one of my best friends for life! A lot of years passed but, I'll never forget how dedicated Joe, Cindy, and his mother in-law were to my recovery. Juice will be missed by me and many more. Your loving friend forever "The Beav"

“ Always remember the good times with all of us. Betting at the Angel's Diner as to who could out eat who, John and Joe betting each other: I'll raise you a salad, & I'll match your salad and raise you a french fry, & I'll match your salad and french fry and raise you a dessert.

“ Cindy and the entire Pratt Family I am sincerely sorry for your loss. I will always remember all of our conversations Joey and I had. We didn't get to see each other a lot but we did talk on the phone a bunch. When we could we would always find time to go eat and just hang out and BS. Joe was a special person and I'm sure glad I knew him he always could get me into a better mood or feeling better. God Speed Joey I'm sure going to miss ya bud.

“ I am sincerely sorry for your loss. I will always remember all of our "racing" conversations and especially the autographs and pictures of my favorite drivers that he had gotten for me. Even though he never gave me Tony Stewart's phone number, I will never forget his thoughtfulness and infectious smile. Thanks for everything Joe. I'll miss seeing you.
