“ *Kathy and I wish everyone our deepest sympathy. We were out of town and didn't know about Joe's passing until after the funeral. He will always have a special place in my heart. He took me fishing as a child and gave me advice as an adult and never forgot about me in between. May we all touch as many people in our lives as he did.*

Joe (Jody) Scalise - July 16, 2008 at 05:07 PM

“ *I would like to extend my deepest sympathies to the entire Scalise family. I never met Joseph, but I have been friends with Anna (his daughter) since 1980 and I love her like a daughter. I also knew Tony for the short time that he lived in California with his sister. My condolences to all. Margie and Bob Golonka*
