“ *My condolences to your family. I worked with Bill at Roberts Filter and learned so much from him. I'm from Panama and he always enjoyed talking about Panama and would comment every time I posted pictures on facebook from Panama about how much he loved visiting there. I enjoyed reading his poems and postings and we kept in touch that way even though I haven't worked there for years. He was such a caring person. He will be missed.*

“ *My condolences to Bill's family. I had the wonderful opportunity to work with Bill at Roberts Filter for many years. He took me under his wing, and taught so much about field service. He was a kind, sweet, and caring man. I know he will be happy to be with his Joan again.*
