“ There was no other like my big brother. When I was little you would carry me in your arms taken me where ever you would go. Sadly but proudly, now it is my time to carry you. I know the Lord now has a man who was one of the best law enforcement men ever. You will always be in my thoughts, prayers and heart. I have been blessed to have a brother like you. This is not goodbye but it is a I will see you again because of what the Lord Jesus Christ has done for us. I love you! Thank you Jesus.

“ Carolyn our condolences to you and your family. Joe was a loyal, good friend. He will surely be missed. Joe and I worked together for many years. He always had a good reputation of being a "good cop" and was not afraid to get involved. I will miss Joe. Mel and Mary Cramer

“ To Carolyn and the entire family, Carol and I would like to send our condolences and prayers to all of you. I look back, now, on all of the years Joe and Norman and I worked in police work; the weekly breakfasts we use to have together; the issues we had with "computer stuff" and some of the other visits following his heart operation. That all seemed so long ago. Then recently, I saw Joe (and a friend) at Fireside Restaurant. Wanted to talk with him, but they looked busy with their conversation...so, I left. Got a call from Al and was heading out the door, when Al called back and said that Joe wasn't feeling well and wasn't up for a visit. For me it will always be a missed opportunity to say goodbye to a great friend. I will certainly miss him! May God bless, Joe and all of you always. John & Carol Leach
