“ To the Entire Weindel Family, We are so sorry for your loss. Your dad could always make me laugh at one of his stories when we ran into each other at a family function. I will always remember him at Lisa's house chatting with one of his grandchildren. I can still see him driving his little car down 45 (usually with a line of cars behind him). He loved you all very much and he can rest now with your mom in a better place. God Bles Your Family. The Luzzi's
