This was a loving tribute to a wonderful woman who is now spending her heavenly days with her special husband. Aunt Joyce was always a gracious lady and she will be remembered for her kindness and friendship. Always will think about her ability to make me feel so special. Rest in peace Aunt Joyce.

Boy was I Blessed to have this Amazing Woman as my Mother and Role Model. She was my first friend, my best friend and my forever friend. She and I together and as a family made so many amazing memories that I will carry in my heart forever. I hope that I can be half the woman that you were and that I make you and Dad proud of me every day. My heart hurts here without you but I also feel joy now that you and Daddy are reunited and there is no dementia in Heaven.

Love Always, Karen September 19

“ My condolences to the Maher family. I am a hospice volunteer and visited with Joyce quite often before the pandemic. I enjoyed my time with her and am sorry I was not able to help comfort her and her family in her final days.

“ I could not have asked for a better mother in law or happier memories. She always made us feel so special and showed myself and my kids so much love. The endless dinners she hosted , the sleep overs with the kids including the blueberry pancakes, and the many day Lilly dazzles. The crafting circuit, the scare crow festival, lunch on the train, the many holidays we spent together. She treated my kids like gold, and had Mallory wanting to become Amish after such fun trips to Amish country. I can not begin to tell you how thankful I am ,that she was ,and always will be a part of my life
