

Julia M. Cullen

March 8, 1932 - June 11, 2026

Julia Margaret 'Peggy' Cullen

Born March 8, 1932, age 94 of Deptford, New Jersey, passed away peacefully on June 11, 2026, surrounded by her loved ones at her bedside.

She was preceded in death by her beloved husband, Thomas John Cullen and 9 of her children, Margaret Sanderlin, Thomas John jr, Daniel, Francis, William, Micheal, and including 3 in infancy, and 2 grandchildren Christopher Cullen and William Cullen. She is survived by Joan Miller, Mary Colosi, Catherine Cullen, Russell Cullen, also her favorite child Toby and her 19 grandchildren, 28 great grandchildren and 4 great great-grandchildren.

Above all else, her faith in God was the foundation of her life. She was a devoted Catholic. She lived her beliefs through her unwavering love, kindness, and devotion to her family, who were her greatest earthly blessing.

As a young woman, she met the love of her life at the age of 16, and together they built a marriage that spanned more than six decades, creating a legacy of faith, strength, and unconditional love. Their home was always open, and their backyard—complete with the pool they proudly built—became the gathering place where generations of family celebrated holidays, birthdays, and countless ordinary days that became extraordinary simply because they were together.

She cherished family vacations to Disney World, where she delighted in making memories with those she loved. Yet perhaps her greatest treasure was not found in places or possessions, but in the photographs and home videos that preserved a lifetime of laughter. After the passing of her beloved husband, she often said, "We may not have been rich with money, but we were rich with these videos." Those memories became a priceless gift to the family she loved so deeply and will continue to be cherished for generations to come.
