Wishing you comfort and peace during this difficult time. Our prayers and thoughts are with you. Just hang on to all the great memories of the times you spent together to keep her alive. There are so many funny memories I have about Aunt Babe the first being the time they were remodeling the bathroom and she told Uncle Walt she wanted a B and a W on the faucet handles instead of the H and C so funny! Also when she worked at the bakery and sent the cardboard birthday cake display to a customer! She was definitely an original and will be greatly missed.
