“ My beautiful June,
When I started brightview in February I knew you were going to be one of my favorites. I always looked forward coming to work every morning and seeing your smiling face 😊 the conversations we would have about young men lol and you would always say something sarcastic and didn't care lol. Your dance moves were out of this world. You thought me a few things! You were an amazing, beautiful woman!! May you rest easy in heaven love. Teach them how to dance 😊 till we meet again look over everyone!! Love you always june ❤️
Yours truly,
Melissa

“ Dearest June,
I sit here and am thinking of all the memories and laughs we had together. All the little jokes you used to make. I'll never forget your sense of sarcasm, mostly because it reminded me so much of my own. A true gem. You will be greatly missed by everyone here from your Wellspring family. *hugs*

“ Words can't adequately express our sorrow. Remembering all the wonderful dinners, laughter, long conversations and June's wisdom is what we rejoice in having. Your mother will always be in our hearts and we take great joy in knowing that she and Richard are now entertaining a whole lot of people!! Our deepest sympathies to you, Sue, and your loving family, Adam and Christine and Sam, and our hearts and prayers go out to all who were lucky enough to have known this remarkable woman. With all our love, Anita and Ed
