“ Pat & George, Wishing you peace and love at this difficult time and asking God to keep you in his care and bless you with his love. What a wonderful gift Karen experienced before she left, to have felt all the love from her parents and children as they cared for her truly a blessing. "Only in eternity shall we see the beauty of the Soul, and only then shall we realize what great things were accomplished by interior suffering". You're in my thoughts and prayers.
