“ *“Miss Kari” will always hold a very special place in my heart. She was my daughter’s first teacher at Kindercare 30 yrs ago and I honestly couldn’t have done it without her! From day one she showed compassion and truly did everything she could to make our transition easier! Marisa is 32 yrs old now and I know she will never forget Miss Kari either! She was always there for me with both my kids! Years went by and periodically we would run into her. She never forgot us and we never forgot her! I was truly saddened to hear of her passing. She was a very special person!*

“ *This absolutely breaks my heart. Kari was my first friend when I first moved to New Jersey and was my closest friend for many years. Although I'm back in Texas now, she would still check on me to make sure I was okay and would always remind me of my worth when I would forget. Kari will always be in my heart. Praying for peace and comfort for Kolby, her siblings, and everyone who loved her.*
