

Kathleen Jurman

September 19, 1960 - April 29, 2020

Kathleen Jurman “Kathy” on April 29, 2020 of Mantua. Age 59. Daughter of Jeanine Jurman (nee Miller) and the late Joseph Jurman. Devoted mother of Colleen Thurston (Josh) of Thorofare and Greg Johnson (Catie) of Illinois. Dear sister of Joseph Jurman of Washington Twp., Mark Jurman (Kelly) of Connecticut, Robert Jurman (Debbie) of Mount Laurel and Debbie Beatty. Treasured grandmom of Destini, Ty, Cody, Riley, Cayden, Chloe, Quinn, Hazel and J.R. Beloved aunt to many nieces and nephews. A dear friend to all she met.

Kathy was a dedicated mother who loved fiercely and had a laugh that could “fill the room.” She treasured her grandchildren and embraced every moment with them her favorite saying was “it’s all about the kids) and that was very evident to every one of them. She had a one of a kind personality and always made people around her laugh and feel welcomed. She was always quick to forgive and gave more than she got. She made friends everywhere she went and that is evident in the outpouring of love her children Colleen and Greg have received throughout this difficult time. Her deep appreciation for the importance of family will live on in her children and grandchildren. Kathy adored the beach and sitting there for hours enjoying the waves, soaking up the sun with her toes in the sand and hoped to one day retire there.

She will be missed deeply by her loved ones and we all hope she is sitting on her favorite beach, and enjoying the sunset as we grieve here without her.

“ I was fortunate enough to live right next door to Kathy. She became one of my nearest and dearest friends. She was hilarious and incredibly giving and kind. She was always dead honest whether you liked it or not. I've spent many hours talking with her she'd always come over to see our new baby and she loved talking about her grandkids. How hazel was a spitfire and how much she enjoyed being around her and she loved talking about destiny and when they got to hang out she'd come over and tell me about how happy it made her. She talked about colleen alot to about how strong she was and what a good mom she was I could tell by the way she spoke about her that she was very proud of her. She would tell me how much she missed Greg and how handsome he was. I am so lucky to have had all that time with her. She was an amazing person and I will never forget her. I will never forget her kindness and her selflessness. Anyone to have been in her life is blessed. Thank you Kathy for being my friend I love you and will miss you always.

“ Kathy was a great counselor her love and passion for her clients came so natural to her because she was kind and caring . She loved her career and she looked at it not as a job but a way of life to help people. Family was everything to her I would always here about each and every one of you . She was a strong woman and she would tell me I was too , we would joke about it saying that it was the deptford in us that made us that way. Rest easy my friend and no that you are truly missed by many .
