

Kathleen H. Spellman

January 30, 1958 - March 15, 2026

Kathleen H. Spellman (nee Newmann) on March 15, 2026 of West Deptford at the age 68 was surrounded by her family and so much love as she went to heaven. Beloved wife of 45 years to Michael Spellman. Loving mother of Michelle Wright (Kevin) of West Deptford, Erin Vatssev (Emi) of National Park, and Steven Spellman (Nicole) of Abington, PA. Devoted Meemee of Mikayla, Luke, Avaleigh, Adalynn, Everett, Alex and Ben. Predeceased by her parents Elizabeth and Ray Newmann of Deptford. Along with her immediate family, she leaves behind her siblings Terri, Barry, Rae, Scott, Ginny, Jacki, Roger, and the late Darlene, a large extended family and countless friends.

She was beautiful, strong, and lived a life rooted in love and guided by her faith. Time spent with her family brought her the greatest happiness. From morning coffee and talks with her husband, Mike, to everyday conversations with her children and being a constant presence in her grandchildren's lives, she cherished every moment. You could often find her on the sidelines, courtside or rink-side at her grandchildren's sporting events, cheering them on with pride.

Her family—especially her grandchildren—were the center of her world. She could always be found in the kitchen, preparing delicious meals for her family. She perfected her spaghetti sauce and made the most delicious gravy. She was the heart of every holiday, creating traditions and memories that will be treasured forever. She loved family vacations, GWA trips, summer days by her backyard pool, and time spent with family and friends.

Kathleen was an active member of St. Paul's United Methodist Church for 41 years. She had many roles over the years and what she enjoyed the most was being a member of the Guiding Lights and singing in the church choir.

Kathleen's career was primarily spent at Wenonah Medical Associates, working as a medical assistant for over 30 years.

She was a devoted wife, a loving mother, and a cherished Meemee—truly more than we could have ever hoped for. The void she leaves behind is immeasurable, and she will be deeply missed.

“ *I knew Kathie for more than 35 years, as a stalwart of St. Paul's UMC. Always in the middle of the mix, making a difference, whether volunteering to serve, singing in the choir, or helping out behind the scenes. She faced her diagnosis, and fought the disease with dignity. This is a woman was a straight shooter - someone you could count on. One who made a dent in the Universe.*

“ *I will always cherish my Memories of you from Wenonah Medical. We worked very hard ... but also shared our personal lives with one another. Which made it even more special. You made me want to come into work every day. We shared strong Political beliefs and were not afraid to put them on Social MediaYou loved being a Grandmom. And I could also relate to those same feelings. I am so Blessed to have known you. You will never be forgotten my friend. Love Pat and Mike Herner 🙏🙏❤️*

“ *Kathie was a treasure to know. She had the best attitude and always spoke her mind. A great part of St. Paul's UMC in Thorofare for many years. She sang in my mother's church choir and just recently, I got to sing with her. Her presence will be totally missed. She is now singing in God's choir with my mom and grandmom. She is at peace.*
