“ I had a very brief interaction with Kathy when I joined as an adjunct about 2 years ago. But this very short interaction was enough to leave a lasting memory of how kind and friendly she was. Going above and beyond in helping someone she did not know. She will not be forgotten but always missed. Rest in peace Kathy. Share your smiles in the afterworld.

“ I've known Kathy for 20 years - here at Rowan. I believe she was here before me or at least the same time. She would call or email about Union or secretarial things but always we a smile. She and I would talk about being Grandmothers as well- I knew she loved her daughter and grandchildren so much just by those talks. I will miss her - Debi Coughlin a colleague at Rowan
