“*RIP Mama, its still not real to me that your gone. I can not imagine a world without you in it! You were truly an amazing person that will live on through Rosie, Tyler, and Nathan, and a piece of you will be with all of us who were fortune enough to not only know you but we're considered your "adopted" daughters. You were always there to lend a hand to anyone who need it; the saying only the good die young is an understatement. Although many tears will be shed over your passing we will forever have the uncountable joyous memories to remember and share. You were a beautiful person inside and out, God needed another beautiful soul to share with the world. Your good doings did not end in this world but were taken with you to a much better place. We will forever love and miss you Mama. Please watch over us all as we will think of you often and speak of you highly.*
