“ To Keith's Ohana, may the Lord comfort you and keep you in his loving arms. Keith and I started our careers with the Camden County Probation in 1990 – he and I shared a chair...lol yes a Chair :) then we got a corner of a desk. His humor and endless stories of his family, his cats, sports and loving stories of his niece, Lisa, though I never met her, I've always felt like I've seen her grow up thru his eyes. My heart is heavy.....no partner for me to do the YMCA dance with, (yes, this means I'm admitting that I DID that dance with him:)....so very proud to have called you my friend. Aloha au ia oe! Ahui hou my friend! Ronnie

“ Keith was my cousin, but really more of a little brother. My heart breaks to have to say this final goodbye. His grace and dignity during his illness is a lesson I'll never forget. But, it's the twinkle in his eye, that impish smile, and his wonderful sense of humor that helps light the sadness of today and will live in my heart forever.

“ Keith, you will always be remembered for your kindness, generosity and humor. You went out of your way on numerous occasions to do things for me and my family and that will always be appreciated. As silly as this might sound, you introduced Bruce and I to a common interest that we didn't even realize we had....Atlantic City. Bruce and I have spent many good times down there together and there's not an AC trip that goes by that your name doesn't come up. Thank you for being a part of my family. Until we meet up again...

“ I am so sorry to hear of Keith's passing. I supervised him at Probation for many years and he was one of the kindest and funniest guys I ever knew. We could always count on Keith to provide a laugh no matter what the situation. He used to tell the best stories and his niece was the love of his life. God bless Mr & Mrs Malloy, John, and Regina in this sad time. We're all going to miss and remember Keith Malloy.
