“ *Rest In Peace Kenny. My condolences to the family. All of us that grew up in Woodbury Gardens will keep Kenny's memory alive. Many of us still get together several times a year, and invariably at least one Kenny Gewertz story will come up (and there were so many). Kenny, along with many of our fathers made the Gardens a GREAT PLACE to grow up. Every year they organized parades, showed us movies in HoeDown Hall, and generally kept us out of trouble through the Drum & Bugle Corp and the Crusaders Football Team. Deptford has lost one the GREAT ONE!*

“ *Mike...I'm sorry to hear about your Dad. I loved your Dad very much, he was my mentor and still is. He did great things for a lot of people; many of them wouldn't be where they are today if it wasn't for your Father. I'm sure he has the angels driving him around now, instead of me. We had some great times together, I'll miss him.*

“ Mayor Kenny, My roots go way back in Deptford. When it only had 2 cops and you were one of them. Also in 1969 you performed the wedding ceremony for my wife and I. You said it was the 1st one you ever did as Mayor. I lost my wife just 2 days before your passing. You must have done a good job as we had 37 wonderful years together. Just wanted to say thanks.

“ Dear Brother Ken: We shared many good times and the bad. Sleep now my brother, I remember the night Governor Bill Cahill pulled the table cloth over his head screamed no pictures with Gewertz; the day you drove the tank and charlie lee called chuck fasola at work to tell him that you were on your way to Deptford High and Chuck was panicky, the 12 foot balcony was carried on board to go to trenton. I was able to help shape Deptford Township thanks to you placing me on the planning board and zoning officer as well as building inspector. People will never know how many people you helped. I'm glad my connections showed you how to hold affairs at the latin casino and raise money for the Democrats. It caused the Downfall of the Republican control of Gloucester County. Bill strang was sick when you brought that donkey down broadway, yes my dear friend we shared a lot. It was a pleasure to be part of your life for the past 36 years. Thanks for being my friend. May God find a special place for you,I know he will know you are there,theres no doubt in my mind about that. Move over Frank Rizzo, Kenny the Batman Gewertz has arrived. See you again someday dear friend. With fondest memories and deepest sympathys to your family. Theodore (Ted) Miller Former Building Inspector Township of Deptford, 1970 to 1987.

“ I join many others who say Kenny will be sorely missed. In 1989, he gave me the privilege of running for Office with him for the first in my life. He left many of us with enough wisdom to last us a lifetime. Lisa, Jeannie and Michael, please call on me anytime when I can assist. I also had the pleasure of working with your Mom so I have fond memories of your parents. God Bless. Jackie Love

“ The "Kenny Stories" that I recall are priceless, and always bring a smile to my face whenever I think of them. Although most of the stories cannot be featured in this type of forum, you made everyone (Tony, Jimmy, Paul Miller and Paul V., as well as myself) laugh the whole time that we were ever with you. Life around here certainly won't be the same without you. Godspeed, Kenny.
