“ *I loved my cousin Kenny very much. I still remember the first day he came home to his beautiful & loving parents, my Aunt Marie & Uncle George. And then came his little sister Diane. This is such a beautiful family and they had their own beautiful families and my thoughts & prayers are with you all. Love to you all - Marianne Lydon*

“ Diane and family, I was so sad to hear of Kenny's passing. Last time I saw him, his daughter was just a baby. I have many happy memories of good times with the gang in Almonesson when we were young. I remember Kenny being a fun-loving and all around good guy. I remember the song he used to sing to me..."Lyles, you make me smiles!" I hope the happy memories you all have help you through this difficult time. I pray for his children, that they are surrounded by love, and have comfort knowing their dad is at peace.
