

Kimberly Ann Fewkes

September 8, 1966 - December 25, 2018

Kimberly Ann Fewkes on December 25, 2018 of Westville. Age 52. Beloved daughter of Coletta Geortler (Tom) of FL and the late Frank Fewkes, Jr. (Grace) Cherished Sister of Frank Fewkes, III (Birgit) of Sicklerville, Charles Fewkes (Tracy) of N. Carolina, Janel Crowe (John) of Tuckahoe and the late Nancy Camp(Bret).

Kim worked for IBM for 27 years. She enjoyed puzzles, cats, traveling and especially loved going to Disney World with her mother each year. She loved sharing stories with friends and family. A true wordsmith, she had a way of making you feel like you were right there with her. She had a laugh that was infectious that came from a place of pure joy. With a smile that could only be called 'cheese'. She was a light that shined even without words, a beautiful soul that lifted you up and made you smile from deep within your heart. She will be dearly missed. She was very active in her church, Apostles Lutheran Church in Turnersville.

Relatives and friends are invited to attend a viewing Saturday, December 29, 2018 1pm to 3pm in The Chapel at Boucher Funeral Home, 1757 Delsea Dr., Deptford. Funeral service 3pm in the chapel at the funeral home. Interment will be private.

“ *I only now, 9 months after the fact, found out that Kim passed away back in December. My (late) condolences to the family. What's my memory of Kim? I worked with her for a very short time at IBM and she was ALWAYS a big help. She had one of the more thankless jobs when I was there, which was working in change control for an account we were on. Never heard a complaint from her and she was always the first to go the extra mile to help us get the necessary documentation submitted properly. She was also a fun person to continue to talk with electronically on Facebook. Sincerely
- Charles Whealton*

“ I’m sad to learn of Kimberly’s passing. Kimberly graduated from DTSH with me. She was a smart, talented and nice person who I remember enjoyed learning about computers. My sincere condolences to the loved ones, family and friends. Sincerely, Bill Danzi

“ Kim was a very special girl. She was the best daughter any mom could have, Kim was loving, caring and would help anyone if she could family, friends or strangers. She had her feisty side too. It took all of her teenage years to form our relationship. We become not only mother and daughter but also best friends. Having Kim visit me in Florida was the highlight of my year. We loved going to Disney, shopping and going to lunch. Kim really loved sitting by the pool. When we couldn't be together we would text and FaceTime. I love FaceTime and will miss seeing her”good morning beautiful muddy” text for the rest of my life. Kim didn't go to heaven by herself, she took part of all our hearts with her. I will love and miss her for the rest of my days. Kim loved her brothers and I know Frank and Charlie will miss her just as much as me. The three of them had the most wonderful relationship. Kim was very close to her Aunt Rita and Aunt Lorraine and I know my sisters will miss her as much as I do. Losing Kim has left a hole in all of our lives. Love you beautiful daughter!!

“ *My dear sweet Kim--a true light in this world and a light to so many, and one of my oldest and dearest friends. We've oft told the story of how you and I met at Westville Grove School and how we wanted to play together after school and on weekends, but that our parents found the distance between our houses too vast (perhaps 1/8 mile)--we would laugh about that. You saw me through tough times and laughed with me during joyful times. I will miss your intelligence, your wit, your laugh, your compassion, your humanity, and your strength. We are so sad to say goodbye to you. We love you my friend, and will continue to remember you and will think of you often. Rest easy, and meet Snow and the others at the Rainbow Bridge. Our Merry Band will not be the same without you, but we will hold you close and celebrate you in our hearts, and in our gatherings. Goodnight dear Angel.*

*Love you now and always,
Joe and Ellen*
