“ *I just heard of Krist's passing. I am so sorry! I did not know her personally, we simply shared e-mails about our dogs, who are litter mates. I thought of Kristi as a friend and hope she has been reunited with her dogs in heaven, and that she will be waiting for her dogs and mine when their time on Earth is done. I am grateful for my short friendship with Kristi and will sorely miss our e-mails to one another. R.I.P. my dear friend*

“ I did not know Kristi personally but knew of her and have been impressed by her courageous strength and always positive outlook on life. I work with her long time companion Kevin who's love for her is so strong that I'm sure it helped keep her going. I have prayed for her from the day I was hired. From what I know her life it was an amazing journey and Now she starts a new one with God holding her dear and her smile will continue to shine on her family and friends having a beautiful angel watching over them.
