“ I've known and worked with Larry for the last 5 years. He was kind and willing to help me with all kinds of issues, especially when I needed it most. I looked forward to working with him and will always be grateful for the conversations we had. His sense of humor was a breath of fresh air and he will be missed greatly. Larry, I'm sorry I didn't get to joke with you about this last time we spoke, but you would be happy to know that you're still #Superior !

“ Larry and I worked together at Health Partners for years before I retired last year. We used to have lunch together everyday until we started working from home. So glad I saw him last week when Work group met for lunch and Larry and I planned on meeting again after the holidays. He was a great guy and good friend.
So sad. 😭
Prayers to family and friends. 🙏❤️

“ I worked with Larry for 10 years at Health Partners. We worked in the same department and closely on projects. He was never too busy to answer questions and give help when asked. He had a great sense of humor. He was a great guy and I have fond memories of him. My sincere condolences to his family.
