“ *Dear Aunt Joyce Uncle Jimmy, Your Mom was lucky to have such great care. She shared many wonderful years with you and your family, and you made sure that she was part of everything that you did, Laura never got older to you. She was not only your Mom she was your friend. I know this has been a tough year on both of you for several reasons. Keep your heads up so your missed loved ones can see you. Larry Ditizio*

“Joyce, Jim and family, I am so sorry for the passing of "gram." I will always cherish the times I spent in her presence.

The slide show is a beautiful tribute to her memory. Her love of life and family are truly heartfelt in the photos. I feel I know her even better.

I am sending all of you our sympathies since we are unable to attend the service. You are all in our thoughts and prayers.

Our condolences, Noelle, Gennaro, and Luca Pizzileo

“ Dear Aunt Joyce & Uncle Jimmy, I am sorry to hear about the loss of your Mother. I know you loved her very much & both you & uncle Jimmy & the kids will miss her. Although I never had the pleasure of meeting her, I do know she must have been a wonderful woman because I do know how loving & caring you are. You now also have a very special Guardian Angel who will always be with you & your family. God has now taken her home where she can make the heavens glow with her arrival. Our thoughts & prayers are with you & your family & just remember, she has some beautiful special people who were there to greet her when she went home. She will never leave you, I know that because I still feel my Mother & Father with me. Love like that never leaves, it just gets stronger. Even though your heart is breaking, with time you will remember her many gifts of love she gave you & always smile for having her in your life. With Love, Kathy & Terry
