“ Larry was, and will always remain a true friend who I will dearly miss. He was one of a kind. I know that sounds clichésh, but Larry had a way of making you feel special, like your voice and opinions mattered. He listened and absorbed and was a wonderful friend . He was a true patriot if there ever was one, and his service to our country was exemplary. He served in Vietnam at the DaNang AirForce base and would write letters to me about it being called Rocket City and all that was going on there. He served with honor and distinction and will have a special place at the right hand of God for being a wonderful husband to Denise, loving father to his daughters, adoring grandfather to his grandchildren, and a true American Patriot. Quite a legacy! I, like Angelo Susini, remember well all the wonderful times we had at St. Joes and beyond, but our High School years were simply the best from driving in Larry's "bomb" (really old car that he loved) to driving around in the "Blue Shark", Angelo's car. We always had a blast. I will miss you Larry, but you will forever be in my memory until we hopefully meet again. God's Speed
Dear Friend!

I worked with Larry in the 80s in Air Traffic at the Millville Flight Service Station. We went hot air ballooning together. I was privileged to occasionally spend time with he and his family back in those days. My heart goes out to you, Denise. My thoughts and prayers are with you and yours.

“ Denise and Family,

I am so sad and sorry to lose my first true friend I made at St Joseph High School Freshman year 1965-1966. We spent many weekends together at his house and his Mom was so good to me. I have many fond memories of him, Richi De Cavalluci and I throughout and beyond our High School years. It would take years to put it all in writing. I was happy to see him last summer at Sammy's house when I viited last August and we shared many laughs from those years. I will have him put on our prayer list at St Maria Goretti Catholic Parish this weekend where I am a Sacristan and an Acolyte weekdays and Sundays . May he rest in peace and spend Eternal Life with Jesus in Heaven and bring comfort to Denise and his Family.

God Bless all of you

“ Thursday June 8, 2017 is the day on which my brother Larry passed away after a long-fought battle against his medical issues. The one thing I will always remember most was Larry’s calm demeanor. He was a US Air Force (Vietnam) Veteran and used his training and experience from the USAF to transition into a civilian career as an Air Traffic Controller. Larry’s Innately calm and cool demeanor served him well as he faced significant health challenges. I was fortunate enough to spend several hours with him before he passed. During that time, he maintained that same cool and calm demeanor. In fact, he was even able to crack a joke with me as I was leaving. Now, he is in the presence of Mom, Dad and our Brother Patrick. Gone but not forgotten...RIP.
