“ *I will miss my sister,Lena. Her never-ending patience and love of others seemed to never tire. Lena, a home-bound Angel, was given a gift to work with the Needy and Special Children of St. John Of God with her daughter, Marcella,included. Lena, with all her hidden Lows and Difficulties in her own life, stood strong to put the problems of other's before her own. My sister was deeply religious with strong belief in her Life with God after Death. Lena, an Earth Angel is now an heavenly one. L E N A re- arraned spells ANGEL. The G is from God who called Lena Home. Brother Jim with Love*

“ I will never forget my sister Lena. She was kind and loyal. Always quick with a comment that would make me laugh. She loved her children and grandchildren and her sisters and brothers very much. I will miss trading recipes with her but most of all I will miss the "love ya" at the end of our phone coversations. I know that I will see her again someday but until then I truely will miss her.
