Aunt Lena- you were always there for me no matter what it was... good times, bad or ugly! You always had my back, and always made sure I knew it. I'll miss you forever. Right now I don't have words, my heart is broken. I'm forever grateful for all the memories and we will carry you with us in our hearts forever. I know your smilin' sayin', don't worry 'bout me □

I love you & ill never forget you 💜

“ Aunt Lena was another mother to her nieces and nephews growing up. She would take us down the shore and to school with her on a regular basis. I never had to question how much she loved me because she truly showed it. Although she is no longer physically with us, her soul will live on through all the memories we share! I love you so much Aunt Lena and I look forward to the day we will be together again. Until that time comes, look over us and wrap Rosie and Aiden in your arms of eternal love ❤️🕊
