“Daddy I have to post a memory to share pictures. So I still remember how sad you were when I left home for Korea. Mommy cried, Jamie had to be peeled off and you had a tear in your eye as well as I did.

“For my husband and siblings my most deepest condolences and sympathy for our loss of Pop. He loved me as if I were one of his own children. I was truly blessed to be part of the Beatty family, excepted with open arms from every single person in the clan. My heart hurts truly Deep to have lost mom and pop who I clung unto as my own parents. Especially after i lost my own. feel extremely orphaned now. And look to my siblings and family on the Beatty side to support them as they have supported myself and children through love, care, understanding and devotion. My latest sweet memory of pop was sending me to bed at night (every night early like i was a child) because he cared, and considering my warmth and health above himself. Mom actually tucked me in bed and gave me a kiss. Best parents to have, even after my 55yrs here on earth. They truly loved and care for me and dedicated themselves to hundreds of people who they blessed with there kindness, care and love through their lives on earth. Rest in peace Pop, may the lords perpetual light shine upon you. I miss you so. Your daughter Ivanna Beatty.

“ Heartbroken beyond belief to learn of Uncle Lens passing. Our heartfelt condolences go out to the family. Certain it is such a more difficult time given your Mom's recent passed and then it being the holiday season, as well. Please know that our thoughts and prayers will be of your Dad and for each of you for the strength and stamina to get through this loss knowing that he is now in the kingdom of heaven with God in whom he was a devout believer during his lifetime. While we are unable to attend Uncle Lens services, we will be with you all in spirit. To live in the hearts of those you leave behind, means never to die.

Sorrowfully,
