“ You never said you're leaving You never said goodbye You were gone before We knew it, And only God knows why. A million times I cried. If love alone could have saved you, You never would have died. In life I loved you dearly In death I love you still In my heart you hold a place, That nobody could ever fill. It broke my heart to lose you, But you didn't go alone For part of me went with you, The day God took you home. R.I.P LEE.. You were so truly an amazing Person. We all Love you and will miss you more then you know. the days will always be brighter because You existed the nights will always be darker because You are gone no matter what anybody says about grief an about time healing all wounds the truth is, there is certain pain that never fades away until the heart stops beating an the last breath is taken. “ My sincerest condolences to all of Leroy's family and friends. I am shocked and deeply saddened by his sudden departure. Leroy was a kind, caring, and gentle man. His dedication to his family and friends, and his faith and love for the Lord were at the same time humbling and inspirational. My wife, my daughter, and I know that we are better people for having known and loved Leroy. His departure will leave a void in our lives, yet we are certain that he is truly in a better place, and we rest in the assurance that Leroy is truly in the presence of the Lord.
