“ *Lil was such a special friend. She was so sincerely devoted to family, friends, neighbors and any one she met or knew. Always concerned for others even when she was enduring health issues of her own. Lil truly will be missed. Such a generous person in every way. Glad she had a large family and extended family to know, share and feel her love. Karl and Lil have been dedicated friends to us for decades. Glad God gave us 90 great years to watch her set an example for all of us . Words at this time are inadequate to express our sympathy and admiration. God Bless you all in this time of sending Lil to her eternal home.*
