

Linda S. Contarino

August 9, 1951 - April 26, 2015

Linda S. Contarino (nee Fitzgerald) on April 26, 2015 of Woodbury Hts. Age 63. Wife of the late Leonard Contarino. Loving mother of Jennifer Contarino of Swedesboro and Leonard Contarino (Melissa) of Deptford. Sister of Lewis J. Fitzgerald, Jr. (Phyllis) of Deptford, Chrissy Evans (Rich) of Blackwood, Patti Hartley (Jack) of Deptford, Amber Virtue (Artie, Jr.) of Pitman, Patrick Fitzgerald (Fran) of New York, Shawn Fitzgerald (Gina) of Deptford, Tim Fitzgerald (Sharon) of Deptford and the late Teddy Fitzgerald (Karen) of Blackwood. Loving and devoted grandmother of Isabella and John.

Linda graduated from Deptford High School in 1969. She loved spending time with her immediate and extended family, taking part in numerous bowling leagues over the years. Her frequent trips to the beach & casinos with her sisters will provide cherished memories for years to come. Linda had many nieces & nephews and was the Godmother of Timothy Fitzgerald. She was a generous person, who always extended a helping hand to those in need. Her support and love allowed one of her nieces (Kelly Evans) to attend and graduate from college, a task that wouldn't have been possible without Linda. Linda's house served as the gathering place for decades of family parties, where everyone enjoyed her famous lasagna. Her strong spirit lived on until her death. Her last days were spent with family and friends and included an eventful trip to see the ocean one last time. There will not be services for Linda as per her request. She will truly be missed by her friends & family. Her family asks that you think of Linda when you enjoy sunny days at the beach.

“ Our family circle has been broken, link gone from our chain. But though we're parted for a while, we know we'll meet again." Linda, I can see you running on the beach, You now can see and breath. Free from all your pain. You never lost your humor, You were strong all the way to the end. You didn't go alone, a piece of us went with you. I would comb your hair or test your sugar and cry, telling you it shouldn't be this way, You would tell me it's ok. my heart aches for you, Now you are free. Fly Angel you earned your wings. We will see you again. love Amber.
