“Wow! I am so lost with all this. Your parents were the most giving and loving people I knew. We were friends for over 30 years. Josh was already here when I met your parents. Your mom and I worked at Perkins Pancake house in Laurel Springs. I watched Josh when your mom went in to have Jess. I got married a short time after that and they were at the wedding. Your mom was with me the morning I went in to labor with my first daughter Liz.(32 yrs.)now. The boys and Liz played together when they were small, living in the blue and white trailer in township. We had so much fun together. Your mom and I were attached at the hip. Then three and a half years later we were pregnant together your mom with Malinda and I with my daughter Colleen. Malinda you are older Colleen was born Sept 13 same year as you. When we were pregnant together we would eat Jewish pickles together. You dad would tell us we stunk. LOL. I have a lot of wonderful memories with your parents and you children. Be strong and never get mad enough at each other that you aren't there for each other. You are blood and only have each other now. Stay close and help each other ,make your parents proud. Remember we all make mistakes that's why erasers are on pencils. Love to all xoxoxoxoxoxo

“Melinda, Ella, Josh and to the rest of your family and friends I am so very sorry for the loss of your mom. She truly was an amazing women. She would absolutely give anyone the shirt off her back and she sure could give a damn good hug. She was a down to earth person and I am truly going to miss her. I will always remember all the memories with her. As I told you ladies in this past week I am here for you all. I know how much she missed her husband and son and now she is with them all. You all sure do have an amazing angel watching over all of you. Fly high Mrs. Coulter for we shall meet again one day.
