“ *My sympathies to this family. Linda was a wonderful caring person. Now she is an Angel in Gods Hands watching over us. RIP Linda*

“ *Dearest Family & Friends,
An Angel is now among you all, I will never forget, and cannot express my love and prayers for each of you. Linda rest well, fly high with the Angels for this is what you were. Please know Sugar will always be with you forever. Know she is truly loved, adored and spoiled. A total cats life. She lives as you have lived and gave to each of us. God Bless you Linda, it was an honor to know you.
