“ *I only had the pleasure of meeting Linda in person once at a food blogging event in Mullica Hill last fall. However, she and I interacted numerous times on Instagram. She was a talented home cook and a sweet, friendly, compassionate individual. So many people use Instagram for the selfish pursuit of influencer status, and it can be a very pretentious platform. Linda was one of the "real" ones. She used Instagram to extend genuine friendship to others and to share her sincere passion for cooking. Linda will be dearly missed in South Jersey's foodie community.*

“ *I met Linda through her Food Group on FB many years ago. Over the years, we joked and traded fun and laughs. I considered Linda a fine friend and the most-talented chef in the world. I cannot begin to understand how hurt her family is at this time. I am incredibly sad that Linda is no longer with us. I will always miss her. She was my culinary hero and a truly wonderful human. Shalom, love, comfort and strength to all her loved ones.*
