Lisa loved movies, mostly action and comedy and all kinds of music. She mostly listened to 80's, 2000 rock or country. She went to concerts with her beloved sister, Melissa. She loved to cook, some family classics from her mother; Lasagna and Crockpot Corn Chowder and many of her own creations and she loved cooking for people.

She did crafts and always had pretty front door hangings for every holiday.

She was a creative and talented Cake Decorator at Sam's Club for over 15 years. Her family was awed by the beautiful birthday cakes she made for all of us.

Lisa loved animals. Her Dachshund, Harley was her everything. She always wanted a "wiener" dog and was ecstatic when she got him. He was her little blessing and a loyal companion always.

Lisa always said the most important thing in her life was her son, Andrew and the best thing she ever did. She loved him with all her heart.

"My Mom was a strong woman and mother. Through thick and thin she was always in my corner. Many of the best things about myself came from her."
