“ *I still think of Lisa every single day. I will always miss my big sister. I am amazed at how she could make me smile when there wasn't anything to smile at. Love doesn't explain how much I wish I could talk to her. I do share my feelings with Peanut and it helps.*

“ *So sad, Lisa and I were friends through most of high school. I still have a picture of her and I on the beach in Wildwood hanging up down the shore. We used to be on Dancing on Air together all the time and remember doing outfit changes down at Penns Landing between shows in the summer. I hope she is at peace and pray for her family especially over this holiday season.*

“ In the short time that Lisa visited our church, we grew to love her. We will never forget Easter Sunday 2017 her very first day at our church. It was a very special day for her. We loved her boldness to share in bible study & participate in the worship services. She regularly attended bible study and Sunday Services. At times, she was the very first one at church. One-time, the pastor & his wife stopped by the church on a day that bible study was cancelled and there was Lisa sitting on the step of the church waiting, because she did not know bible study was cancelled that day. All of us at Jesus Recycles Ministries will truly miss her. She touched our lives in a special way. We would like extended our deepest condolences to the family.

It is hard to find comfort and closer after losing a mother; thank you for your kind words. She is in Gods hands now, I truly believe this - she could not get well on this earth and was much too good for the life she was living. In the end she had faith in God who only could help her.
