

Lois E. Palmer

January 24, 1958 - June 9, 2025

Lois Ellen Palmer, was born in Woodbury, NJ in January 1958 to James & Pauline. She grew up in National Park, NJ and was part of the Marching Band and Rifle Club. She worked for Subaru of America for 34 years in which she held several positions. Her last position before her retirement was Distribution Analyst where she handled 100+ retailers. She forged many lifelong friendships and was highly respected for her hard work and dedication. She enjoyed cycling as her favorite pastime and loved to go on adventures of any kind. Lois dedicated her life to the service of others. It was something she prioritized in her day to day. Whether serving in her church, community service events with Subaru, or the random acts of kindness she would do on her own, she was a true servant at heart. She supported many organizations including Habitat for Humanity, MS150, Cathedral Kitchen for the Homeless, Philabundance, Warm Nights, and the local Food Banks, just to name a few. She was the beloved wife of Edward "Ed" Palmer Sr. They were married on

June 30, 1984. Her family was her life and she was very dedicated to each of them. She is also survived by her three sons, "her boys" as she called them, Christopher McGinity (Charlene), Edward Palmer Jr. (Noelle), and Charles "Chuck" Palmer. She has eight grandchildren, Thomas Bardon, Kiara Gregory, Melanie McGinity, Jenna Baker, Edward Palmer III "Trey", Kayleigh, Izabella, and Barrett Palmer. As well as a great grandson, Colten Kepler. She is also survived by her two brothers Glenn Dougherty and Joseph (Judy) Baumiester. She was preceded in death by her parents James and Pauline.

Lois was a dedicated Christian and loved her Lord and Savior Jesus. She was an avid evangelist and loved to spread the good news to strangers. She loved meeting new people and once you met her, you loved her. She was an outgoing and loving friend. Her friendships encompassed every aspect of her life, and she held each and everyone close to her heart.

She was a patriot at heart and loved our country and always honored those who served in the military with the utmost respect and gratitude.

She leaves a legacy of laughter, love, and memories. She was fun, adventurous, and had an incredible sense of humor.

Lois will be greatly missed by all who knew her whether for a minute or a

lifetime. She is not
gone, but has gone ahead.

“I am the resurrection and the life. The one who believes in me will live, even
though they die;
and whoever lives by believing in me will never die.” John 11: 25-26

“ I remember the day I first met you. I just moved in to the house across the street from yours. You told me you were the mayor’s daughter and I was not allowed to cross the street. lol. We use to explore the woods, skim rock’s in the river, make pottery out of the red clay, we found on the beach. We rode our bikes up at the park, to the penny candy stores in town and Soupy island. We sled down beach Hill when it snowed. We flew our kites up the park, went to roller skating party’s on a school nights at Glendora roller ring. During teenage years we hung out in Oak Valley and had a lot of fun going to football games, band marches, and hanging out at Green acres. In our twenties, we married and our focus was our families. Our 30’s, 40’s, 50’s and 60’s rolled by. We were able to go out to lunch frequently after you retired and I treasured those moments. We had deep conversations about politics, religion and where our country was going. You were a true patriot. We prayed nonstop for our country and our families and those who asked us to pray for them. Unfortunately Your body grew tired and God wanted you to come home. You took a piece of my heart the day you left but I am grateful for having had you in my life.

“ Lois was my close friend Ed Jr. Stepmother. Ed and I have been friends since 1st grade. When I began my understanding of the love of Jesus Lois was one of the people who lead by example. I thought about her time at the Methodist church where she helped with VBS and the festivals of peaches and strawberries. As a kid this made me enjoy church and was what brought me back when I needed the love of God. She never pressed or preached but rather led by example. She will forever hold that place in my life.

“ Lois and I met shortly after we join CCSJ. We both signed up for the classes at that time. I guess the Lord had plans for us because he sat us both at the same table. No it was a little newer than I so I guess I decided it was me to take the upper hand and get this friendship started. Of course we all had tags to put on so we could share with each other and get to know each other. Well, if you know, Lois, she writes where are you? Almost need a magnifying glass to read her name.. Of course I had to say something because I write extremely large. So I said something like you don't want anyone to know who you are or are you gonna write a letter on that sticker lol . She took it very well and we began to talk. That was it from then on we had lunch at the Piston every Sunday after church. I think our longest time sitting there talking was 4 1/2 hours. So long we had to double tip the waitress. They were wonderful conversations. What a beautiful brave woman who fought to be with her family past Easter and Mother's Day. Her boys, Chris, Chuck and Ed and husband Ed had a long road to haul, but they did a wonderful job. I was so blessed to be able to spend so much time with her. talking and reading the Bible. She took a little part of my heart with her when she went to be with the Lord.
