“ *Dear Bob,
I'm so sorry for your loss, Loretta was a beautiful lady. The video was a wonderful depiction of Loretta's life, and the happy years that you shared with her. I always enjoyed seeing you both in the summer when Gerry and I visted Pat in Wildwood. Please know that you and your family are in my thoughts and prayers.
Sincerely, Phyllis Rudi*

“ *I miss my dearest friend for over 35 years. We had such good times and so many laughs. There will never be anyone to take her place in my heart. We were more than friends, we were like sisters. We only had to look at each other and knew what we were saying. I know that she is in a better place and that she will be free of pain forever.*

I enjoyed to make her laugh with all my jokes but there will be a day that we will be together again and I will be able to make her laugh again.

I miss here dearly.
