“ *My thithster (sister) my best friend in the whole world! I miss you everyday! I miss talking to my best friend when I'm driving home from work, I miss talking about "Dancing with the stars" with you (and you getting everybody's name wrong LOL) I miss your infectious laugh and I miss your big heart ! The girls (my granddaughters) bring you up all the time, they remember you, more than that, they remember how special you were to me. It's been almost three years! I can't believe it . You are always with me ! Make sure you save me a seat! Love u always BFF*

“ *Lori - my sister from another Mother. My heart is broken and I still can't process that I'll never see you again! You were supposed to come stay with me this summer. I know my sister Debbie was waiting at those Pearly Gates for you. We have another Guardian Angel. I Love you Lori - but you know that. Give my Brian a hug from me - I know you're attacking him. You will be missed!!!!*
