

Lorraine M. Harty-Budniak

June 3, 1961 - October 7, 2025

Lorraine M. Harty-Budniak on October 7, 2025 of Oak Valley. Age 64. Beloved wife of William "Bill" Budniak. Loving mother of Colleen Baney (Kyron Evans) of Oak Valley, Maureen "Mo" Packer (Mike) of Woodbury Heights, and Michael Baney (Julia) of South Carolina. Cherished sister of Mary Jane Callen (Paul) of Woodstown, Timmy Harty of Atlantic City, Winnie Harty-Cunard of Williamstown, Judy Janofsky (Rich) of Williamstown, Sister-in-law Linda Harty of Oak Valley and the late Pat Harty and Vincent Harty. Special niece of Dolores (Aunt Tootsie) Groves of Glassboro. Devoted Mom-Mom of Kieran, Kendall, Joci, Cody, and Jade. Daughter-in-law of William and Teresa Budniak. Sister-in-law to Sharon Reed (Scott) and Jeff Budniak (Andrea). She is survived by many cherished nieces, nephews, cousins and lifelong friends. Predeceased by her parents, Patrick Harty and Mary Jane Harty (nee Timlin).

A lifelong resident of Deptford Township, Lori would be the first to let you know she was, in fact, from OAK VALLEY. Most early summer days were spent at Oak Valley Lake. Later she was on their committee. A volunteer of OVAA, she spent many seasons volunteering and running the snack stand. As a 1979 graduate of Deptford High School, Lori always had Spartan pride. A natural athlete, being a standout pitcher was the highlight of her career. She continued to enjoy playing slow pitch softball after high school for many years, alongside her sisters. Lori also was an avid bowler for many years often on teams with her mom and sisters.

Lori was a dedicated mother and poured everything into raising her children. Whether she was cheering her children on, room mom, coaching them, or traveling state to state to watch them, She was always there. When her grandchildren arrived, she stepped into the role of being the best Mom-Mom in the world seamlessly. She was beyond proud of all five of them and was their biggest fan. She created special bonds with each one individually and spent as much time as she could going to as many games, concerts, shows, as possible. Nothing made her happier than being with her family. Lori also created special relationships with her children's friends.

Lori and Bill spent 14 wonderful and memorable years at Oceanview resort. They met many great friends at her "happy place" and made countless memories with her family.

A loyal Philadelphia sports fan, one of Lori's favorite traditions was her annual family vacation to Clearwater to watch the Phillies spring training. You could count on Super Bowl Sunday being hosted at her house and Lori would be in her Eagles gear, no matter who was playing.

Lori was known to love playing Bingo weekly with her special "group". Basket auctions and raffles were always her favorite, and she would always come home a "winner, winner, chicken dinner"

Lori adored her Billy and couldn't have been happier with the over 20 years they spent together. The many vacations, concerts, building their backyard oasis were some of their happiest times. She couldn't have chosen a better life partner.

“ I went to high school with Lori and would run into her periodically throughout the years. We would run into each other at spring training in Clearwater which I know was one of her favorite things to do. Lori was an awesome person, great Mom and Grandmom. I will be out of town and unable to attend her services but I wanted to send my condolences to her family. This one’s for you Lori...Go Phil’s!

“ I had the privilege of growing up in Oak Valley and knowing Lori my whole life. We had a lot of fun in our younger years and spent a lot of summers at the Oak Valley Lake. When Lori took over the responsibilities so they wouldn't close, she would visit my mother with her questions & for advice. My dad would call her “The Lady of the Lake” When he passed away she was right there at his viewing! She was a special person and will be sorely missed by many! My prayers go out to her family & friends!

“ Lori was a special person that was a highlight of the Class of 79-Deptford High School. We played many years of softball from OVAA and most memorable-DTHS. Lori was our "masked marvel" as she was a great pitcher and had to wear a mask as she broke her nose and still wanted to pitch. Awesome Spartan Spirit and she was also a wonderful ammo and a#1 Mom-Mom. She took that job seriously and embraced them all as her Princes and Princesses. she was a staple of Oak Valley and a true friend. I know God needed a beautiful angle and that is her next chapter. So sad but just having her in my life was a true blessing.
Love you and we will remember you forever
