“ *You have been gone almost 3years and yet it hurts as if it were yesterday that you passed. I struggle along every day without you and miss you so much. I miss our house and Bailey too. You were always the wind beneath my wings. No one else on earth. Til we meet again. Forever yours xoxo Beanie*

“ *Lorraine with one of my best cousins. We used to always been so much together at her house. I would go there for like a month for summer vacation. How mom and dad would always leave us money on the kitchen table when we woke up. Lorraine and I would walk to the store and get ice cream and lunch and just have a awesome time. I enjoyed spending summer vacations there very much!! I love you Lorraine. You are no longer in any pain. You are in heaven with your mom and dad and nan!!!*
