“ Dear Family,
I wasn't a close friend of Louise's but she was our neighbor in Mantua for a few years and she took care of our cat/beta fish while we were away. She was always so willing to do so and we appreciated that very much. Louise was a very pleasant and giving person. Very sorry for your loss..I still cannot believe she is gone. May your good memories of Louise be of great comfort to you in the days and years to come. Lord Bless you!

“ I was so shocked to hear about Louise. I remember her from Marching Band, being the Captain of the Flag Squad. My thoughts and prayers go out to Louise and her family.

“ Please know that my thoughts and prayers are with your family and friends. I had learned of Louise's passing on the " You know your are from Deptford Site " I graduated from Deptford in 1972, and I never even had the privilege to meet her. The Marching Band was very special to me, as I see it was to Louise being Captain of the Flag squad. The video tribute moved me so much. May I say respectfully that Louise was so beautiful! You can tell from the tribute video what a loving, caring and exuberant life she lived. May she rest in peace after her journey of love and celebration of life.
