“ Those we love don't go away, they walk beside us every day. Sister-in-law I'm going to miss our talks and I know Nick and Nicholas and your beautiful new granddaughter are going to miss you so much. I know you're an angel and you're there with all our family members and I know you are all rejoicing together, but down here our hearts are broke. You were such a sweet person, caring and loving. And to my brother and my nephew I send you my deepest sympathy and healing hugs, and prayers with a heavy heart. Forever Loved!!!
