“ One of my fondest memories of Lynn was when Bobby, George, and Lynn and I went to the Three Doge Night concert on The Jekyll Island Beach. It was a day to remember! She also was my one woman wedding planner when I married Natalie's Dad. She did everything from planning and making my flowers to frosting my hair for the first time in my life! Lynn was an extraordinary friend who I will always love. I will miss her always. Suzie

“ My dear sweet friend, Lynn! I remember meeting you so many years ago (33 to be exact!) when we were stationed at Storck Barracks in Illisheim, Germany. We hit it off right from the get-go and have remained sisters and friends ever since, with so many memories, laughs, and good times! You loved our boys as if they were your own (including spoiling them rotten) so I have added some photos of you with them and a few others! There are so many fond memories of our time together.

I will miss you every day, especially that beautiful smile of yours. I remember a soul so vibrant and a spirit so inspiring, that you left an indelible mark on all our lives. You were more than a friend to me; you were a sister. You were a confidante, a mentor, and a companion in both of our moments of joy and sorrow. The void left by your absence is profound, yet you will continue to live on in our hearts and memories. Until we meet again, dear friend...I love you!
