“ *Our thoughts are with you in this sad time. I know Mark was a very involved parent, devoted husband and great role model. It is a difficult time, but know he is in a better place now. As long as there is love in your heart-he will be with you-always.*

“ Debbie and Little Marc, We just want to send our love and comfort to the both of you. We were so lucky to have a friend like Marc in our lives. We will never forget all the fun times we had at the fields and the parties. I use to love when Debbie would be out dancing Marc would just look and shake his head lol. He was such a caring, generous, loving person, that is why he was such a great coach and all the kids loved him. I will never forget how hard he laughed when he seen Nick and Glenn coaching baseball that one year. I know the pain you are going through but when you know he is heaven and free of pain you do feel a calm about you. Please know that we are all here for you and please call us it doesn't matter what time we are here. Please stray strong. We love you both. God Bless you, Glenn, Delane, Joey and Michael Jentsch xo

“ *My sincere condolences. Marc was a good man, and I truly enjoyed working with him, way back with Corestates. My late wife, who also was with Corestates, and knew Marc, I'm sure was one of the ones to greet him, when he got to heaven. Take care.*
