“ *Mom, my heart aches and I can't believe that you are gone. I tried to call you everyday and today I still called but you didn't answer. I love you and I miss you so much. I know that you are in heaven with Daddy and Janet and all of our loved ones. Someday you will hold me in your arms again and comfort me; until that day take comfort that I will do my very best to take care of Franny, Cookie and Chrissy.
I will love you forever, your no 1 son Billy.*

“ Grandmom, I love you so much! You were such a "tough cookie" and I always took it as a compliment when my mom said I was "acting like Marge";)Even though when you were with us your ways drove us crazy sometimes, thinking about it now you taught us all alot of good advice that we will always have. You leaving us was such a shock, but it makes it easier knowing that you will be at peace with Aunt Janet and that you had Poppy greeting you guys! Thank you for helping me in the ways that you did! And I hope that you thought I took good care of you when I did. I will always cherish your ring and everything Irish will always remind me of you now! LOVE YOU ALWAYS GRANDMOM! I miss you and Aunt Janet sooo much already watch over us and help me be strong during these times like you would be!!!

“ Mom, You never let us see your pain. We all thought you were in denial. But you made up your mind that you weren't going to live without Janet, and you kept it to yourself. You kept all that pain of losing your daughter all to yourself. It took your death for me to realize how much you really did love all of us. And how it killed you to lose one of us. Your heart was broken and you just had to go. Till we meet again, Love forever and a day. PS Give daddy a big kiss for me. I love you, Cookie

“ Aunt Marge, Love you! I will miss you, your wit and humor...you always made me laugh and made me eat way too much. Even if I had just eaten, you would not hear it, I had to eat again:) So happy to have spent a little time with you at your condo and again here in California. I love you so much and have many fond memories, you were so kind to me when I was a little girl and I thank you for that. Love you and say hi to Mama. Now you two can sit at the BIG kitchen table and crack up.

“ To the entire Allen family; Words cannot even express our sincere sympathy with the passing of "Grandmom". We are truly sorry and share in your grief. The thing that helps comfort our broken hearts is knowing that she is no longer in pain and that she was welcomed into heaven by her husband, Bill & daughter, Janet. What a reunion they are having! We will cherish all the memories we have forever. God Bless you all.
