“ *On behalf of the entire Iacovone Family I would like to express our sadness over Marge's passing. We all remember her fondly. She was a wonderful next door neighbor and a good friend. You are all in our thoughts and prayers.*

“ *I have many happy memories growing up next door to the Brakers. Marge and my mom shared a special friendship. I remember running across the street(to 7-11) with Kim for both our moms while they were having thier morning coffee. I like to think they will be sharing coffee together again in a much better place. She was a real cool lady with a caring nature. May she rest in peace.*
